RECOMMENDATION

It is recommended that your Board adopt the attached resolution commending the County Fleet Manager and the employees of County Fleet Services for outstanding service to San Luis Obispo County.

DISCUSSION

County Fleet Services, under the management of Fleet Manager Spence R. Grafft, has received recognition from a well known and respected state Fleet publication as well as a national Fleet publication. California Fleet News has selected County Fleet Services as a recipient of one of five "Best Practices" awards, recognizing outstanding services within the State of California. At the same time, Fleet Equipment Magazine, a national publication, has selected San Luis Obispo County Fleet Services as one of the "100 Best Fleets in North America", selected from a population base of over 36,000 fleets, both public and private.

These two well known selections by experts in fleet management and administration have brought great honor and respect to our County and are a tribute to the efforts of Fleet Manager Spence R. Grafft and the hard working employees of County Fleet Services.
